EXPERIENCE

Creative Marketing Manager

Graphic Designer & Web Developer
Full-Time - Ghost Keyboards/ Clutch Chairz Inc.

Sept 2023 - Present
April 2022 - Sept 2023

- Manage and optimize multi-channel ad campaigns across Google, Meta, and X, leveraging analytics and SEO best practices to iterate on creative assets and maximize ROI.
- Optimize Shopify using custom Liquid/CSS and research to prototype UI/UX improvements; manage Amazon and Newegg multi-channel presence to ensure brand consistency and conversion.
- Develop automated email flows and high-conversion newsletters in Klaviyo, designing custom templates and lifecycle sequences to drive retention and sales for major product launches.
- Led end-to-end product development and global collaborations, such as the TMNT x Ghost collection; managed custom peripheral design, technical manufacturing specifications, and retail packaging while maintaining strict brand & identity standards.
- Produce high-fidelity 3D renders and animations to showcase product features for web and social media marketing.
- Direct social media strategy and content creation for Instagram, Facebook, and X to maintain brand consistency and community engagement.

Tools Figma, Maya, Substance 3D, ZBrush, Illustrator, Photoshop, Unreal Engine 5, After Effects, Excel, ProtoPie

3D Artist & Graphic Designer

Co-op - Torus Biomedical Solutions Inc.

May 2021 - Aug 2021

- Created photorealistic 3D renders and animations for a medical device user manual to clarify complex technical procedures for end-users.
- Built accurate 3D models and environments through iterations based on real-world dimensions, ensuring all assets were technically precise for documentation.
- Designed 2D graphics and diagrams to provide clear, step-by-step visual guidance throughout the product manual.
- Animated 3D characters and equipment for training videos to visualize proper handling and operation of medical hardware.
- Collaborated closely with the design team and supervisor to finalize the manual, ensuring all visuals were consistent and met strict technical requirements.

Tools Figma, Maya, Substance 3D, Illustrator, Photoshop

Web Designer

Sep 2020 - Dec 2020

Co-op - Downtown Surrey Business Improvement Association

- Redesigned and developed local business websites to optimize navigation and user flow, directly increasing the average pages per visit and ensuring visual alignment with brand identities.
- Resolved complex usability issues and debugged site errors across WordPress and Wix platforms to maintain a seamless experience for visitors.
- Created custom iconography and high-impact visual assets to modernize the digital presence of local businesses.
- Produced and edited promotional videos for social media and web platforms, driving increased visibility and engagement for the community.
- Authored instructional guides and training materials to empower small business owners to manage and update their digital storefronts independently.

Tools HTML & CSS, JavaScript, WordPress, Photoshop, Illustrator, Premiere Pro, Lightroom, After Effects, InDesign

TV Lead Producer

Nov 2018 - Apr 2020

Student Union - Interactive Arts and Technology Student Union (IATSU)

- Managed the end-to-end production of promotional content, capturing and editing footage of major events for YouTube and social media platforms.
- Led a cohesive creative team to plan and execute video projects, ensuring effective communication and high-quality results across the department.
- Facilitated technical workshops to train students in visual effects and motion graphics, promoting department-wide skill development.
- Optimized production workflows to deliver high-quality video content under tight schedules, successfully balancing academic and union responsibilities.
- Designed and implemented custom motion graphics in After Effects to enhance the visual storytelling and narrative of union-wide video projects.

Tools Premiere Pro, After Effects, Photoshop, Lightroom, Maya, Excel

EDUCATION

B.A, Interactive Arts and Technology Design & Media Arts Concentration, Communication Minor

Jan 2018 - Jun 2023

Simon Fraser University, Canada

Graduated: June 2023 | CGPA: 3.47 / 4.33

The School of Interactive Arts and Technology (SIAT) is a unique program that combines interaction, art, and technology and teaches students conceptual and hands-on design in innovation.

INTERESTS
